

INFORMATION ON THE PROCESSING OF PERSONAL DATA

(Art. 13 EU Regulation No. 679 of 27 April 2016 on the protection of personal data “GDPR”)

Pursuant to EU Reg. no. 679/2016 (GDPR), Marzocchi Pompe S.p.A. -as Data Controller- informs that the personal data acquired on the basis of the contracts concluded between us, will be processed in compliance with the above mentioned regulation.

In further detail, pursuant to Article 13 of EU Reg. no. 679/2016, the Data Controller hereby informs you that the personal data provided by the data subject shall be processed by electronic and other means, and shall be used for the purpose of complying with the contractual obligations arising between the Company and the Supplier, as well as fulfilling the consequent legal and contractual obligations arising therefrom and ensuring the achievement of effective operational management of such relationships.

The personal data in question may also be communicated - in order to allow the fulfilment of contractual or legal obligations - to: all subjects authorised by virtue of regulatory provisions; to our collaborators, employees, agents and suppliers; to factoring, credit recovery and credit insurance companies; to post offices, forwarding agents and couriers; to all those natural and/or legal, public and/or private persons who contribute to the realisation of the processing activities aimed at the correct performance of the contractual service provision activities.

Consent is not required for these purposes (Art. 6 c.1 lett. b of the GDPR).

The provision of data is optional but necessary for the proper performance of contractual activities. Any refusal by the interested party to provide the data will make it impossible to conclude the contract.

The personal data processed for the purposes indicated so far will be kept only and exclusively for the period of time during which the activities covered by the contract are carried out and in any case not beyond the expiry of the terms suitable to guarantee the possible defence of a right of the Company in a dispute. The interested party may always exercise all the rights referred to in Articles 15 et seq. of EU Reg. no. 679/2016, including those of access, rectification, portability, updating, opposition and restriction of processing as well as cancellation by writing an email to privacy@marzocchipompe.com.

In any case, it will always be possible for the data subject to lodge a complaint - with respect to the processing in question - before a supervisory authority (such as the Data Protection Authority).
