

PRESS RELEASE

MARZOCCHI POMPE AWARDED AMONG THE COMPANIES WITH THE BEST FINANCIAL PERFORMANCE IN THE PROVINCE OF BOLOGNA BY ITALYPOST RESEARCH CENTRE

Bologna, 9 November 2021 - Marzocchi Pompe S.p.A. (EGM:MARP), a leading company in the design, production and marketing of high-performance gear pumps and motors, has been recognised by the ItalyPost Study Centre as one of the best companies in the province of Bologna for its financial performance in fiscal years 2017, 2018 and 2019.

Marzocchi Pompe was selected following an in-depth analysis that assessed the financial statements of companies with registered offices in the province of Bologna with 2019 turnover of more than €5 million and a positive 2019 net result. Companies with a Rating More "balanced" and "excellent" and average 2019-2018-2017 EBITDA equal to or greater than 1.76%.

The award was presented to Vice President Carlo Marzocchi, during the event "1000 Best Performer Companies of the Province of Bologna Award", held today at the Bologna Fair's Palazzo dei Congressi.

Carlo Marzocchi, Vice President of Marzocchi Pompe, commented: *"We are honoured to be among the 1000 best performing companies in the province of Bologna selected by the ItalyPost Study Centre. This is a recognition that honours us and repays us for all the efforts we make every day to try to do good business, working to pursue business growth through responsible and sustainable management. We share this award with all the people who work every day in Marzocchi Pompe: the company is made of people and the achievement of these results is thanks to each of them".*

Marzocchi Pompe S.p.A.

Marzocchi Pompe is a leading company in the design, production and marketing of high performance gear pumps and motors, which are applied in various fields: industrial, mobile and automotive. It closed 2020 with approximately 34 million euros in sales revenue. Founded in 1949, it is controlled by the Marzocchi family, which holds the majority of the shares and is present in the company with Paolo Marzocchi, President, and his son Carlo, in the Technical Area. The CEO Gabriele Bonfiglioli and four other managers are also part of the shareholding structure. The production is entirely made in Italy in the two sites of Casalecchio di Reno (BO) and Zola Predosa (BO). Marzocchi Pompe is present in over 50 countries through an international distribution network.
