

PRESS RELEASE

MARZOCCHI POMPE AT LAS VEGAS CONEXPO

Bologna, 09 March 2023 - Marzocchi Pompe S.p.A. (EGM:MARP), a leading company in the design, manufacturing and marketing of high-performance gear pumps and motors, is participating in the IFPE CONEXPO-CON/AGG trade show, a must-attend event for construction professionals who want to keep up-to-date with the latest industry trends and innovations, held every three years at the Las Vegas Convention Center, Nevada, USA.

The event is organized by the Association of Equipment Manufacturers (AEM) and attracts more than 130,000 attendees and 2,800 exhibitors from around the world, including contractors, dealers, distributors, and other industry professionals.

Marzocchi Pompe and the team from its subsidiary Marzocchi Pumps USA will be on **stand S81745** from 14-18 March.

The Marzocchi products on display cover a wide range of applications for the construction and mining industries, from heavy machinery such as bulldozers, cranes, excavators, loaders, and trucks, to more advanced technologies such as automation systems for construction, processing and material recycling.

Gabriele Bonfiglioli, CEO of Marzocchi Pompe and President of Marzocchi Pumps USA commented: *“In addition to the huge variety of end customers, this trade show provides a very useful platform for companies to generate leads and connect with potential customers in North America. Participants are always looking for new products and solutions to improve their performance. We will use this opportunity to present our products and services. It will also be an opportunity to strengthen our ties with the US subsidiary, which handles Marzocchi Pompe's first market geographically.”*
