

PRESS RELEASE

**MARZOCCHI POMPE AT BAUMA CONEXPO INDIA**

Bologna, 30 January 2023 – **Marzocchi Pompe S.p.A.** (EGM:MARP), a leading company in the design, manufacturing and marketing of high-performance gear pumps and motors, announces that **it will take part, for the first time, in Bauma ConExpo India**, organised by the AEM USA (Association of Equipment Manufacturers) in partnership with Messe Muenchen Germany, which will be held **from 31 January to 3 February 2023 in Delhi** at the India Expo Centre facilities in Greater Noida.

The show will welcome more than 600 exhibiting companies from 20 different countries and is situated in a key location, at the gateway to the Delhi-Mumbai industrial corridor and in one of India's most industrialised areas.

At Marzocchi Pompe's stand **H10.L102**, visitors will be able to admire the range of traditional gear pumps in aluminium and cast iron, the latter particularly suited to the stressful conditions of heavy machinery, as well as those of the Elika family, ideal for applications in electric and hybrid vehicles in a variety of sectors, from agriculture to construction, from industrial to new energy and always the company's flagship.

Gabriele Bonfiglioli, CEO of Marzocchi Pompe, commented: *“In 2022 we took part in five different international exhibitions, and this year we want to continue to give a big boost to our presence at trade fairs, with the aim of further expanding the presence of our products in international markets. With this in mind, we are delighted to participate in a trade fair on Indian soil for the first time, convinced that meeting the expected rich audience of visitors will be a decisive investment in the future development of the Indian market, where we can still give our best.”*
