**MARZOCCHI POMPE EXHIBITS AT BAUMA CHINA 2024:  
INNOVATION AND PERFORMANCE TAKE CENTRE STAGE AT THE HEAVY-DUTY EVENT**

*Bologna, 27 November 2024* - Marzocchi Pompe S.p.A. (EGM:MARP), a leading company in the design, production and marketing of high-performance gear pumps and motors, continues to be present at the main international trade fairs: it is pleased to announce its participation in **Bauma China 2024**, one of the world's most important trade fairs in the construction equipment sector, which will be held in **Shanghai** from **November 26th to 29th, 2024**.

During the event, the technical-commercial team of Marzocchi Pompe, reinforced by the presence of the colleagues of the Shanghai subsidiary, Marzocchi Symbridge, will present at **stand N2.317** its high-performance products, designed to meet the most complex needs of the construction and mining sectors.

In particular, the company will have the pleasure of illustrating the technological advantages of its wide range of gear pumps and motors, with a focus on the innovative models of the Elika family, appreciated worldwide for their reliability, efficiency and silence. There will also be traditional cast iron products which, thanks to their excellent performance under particularly stressful conditions, in terms of pressure and temperature, are particularly functional in this market.

**Gabriele Bonfiglioli, CEO of Marzocchi Pompe commented:** *“Our now traditional presence at Bauma China represents an important opportunity to consolidate our position in the Asian market, showing visitors our ongoing commitment to research and development of high-quality solutions. The exhibition will be the ideal stage to get in touch with current and future partners, deepen our understanding of the market needs and demonstrate how Marzocchi Pompe solutions are capable to meet the highest expectations in terms of performance and durability.”*
