

PRESS RELEASE

MARZOCCHI POMPE TO ATTEND "EURONEXT GROWTH MILAN CONFERENCE 2022"

Zola Predosa (BO), 20 May 2022 – **Marzocchi Pompe S.p.A.** (EGM:MARP), a leading company in the design, production and marketing of high-performance gear pumps and motors, **will take part in the "Euronext Growth Milan Conference 2022, Virtual Edition", scheduled for Tuesday, May 24, 2022.**

The event, organised by Borsa Italiana, is dedicated to companies listed on the Euronext Growth Milan market, to illustrate their results and strategies to Italian and international institutional investors. Now in its fifth edition, the "Euronext Growth Milan Conference 2022" will also be organised this year in virtual mode, with one-to-one or small group meetings.

The Management of Marzocchi Pompe, together with the Investor Relations Advisor team of CDR Communication, will be connected to the meetings via video conference. The 2021 financial results as well as the Group's business model and growth strategy will be displayed.

For information and to attend the event, please send an email to the following address: euronextgrowthmilanconference@euronext.com.

Gabriele Bonfiglioli, CEO of Marzocchi Pompe commented: *"After the Presentation to Investors of the 2021 results and the road show in Paris last April, the Euronext Growth Milan Conference represents a further important moment of confrontation with financial market operators. The excellent 2021 results confirm the strength of Marzocchi Pompe's business model, based on distinctive features such as the capability to provide customised solutions, top quality and technology in the industry, and great production flexibility. All this, coupled with the relentless innovation of our product range, also witnessed by the recent launch of the "FTP" family of low-pressure pumps, part of the high-performance "Elika" family, makes us ever optimistic about achieving our ambitious growth targets."*

Marzocchi Pompe's Investor Presentation ("FY 2021 Results Presentation") is available in the "Investor Relations" section of the Company's website www.marzocchipompe.com.

Marzocchi Pompe S.p.A.

Marzocchi Pompe is a leading designer, manufacturer and marketer of high-performance gear pumps and motors, which find application in various fields: industrial, mobile and automotive. It closed 2021 with over €40 million in sales revenue. Founded in 1949, it is controlled by the Marzocchi family, which holds the majority of shares and is represented in the company by Paolo Marzocchi, Chairman, and his son Carlo, Vice Chairman. The shareholding structure also includes CEO Gabriele Bonfiglioli and four other managers. Production is carried out entirely in Italy at the two sites in Casalecchio di Reno (BO) and Zola Predosa (BO). Marzocchi Pompe is present in over 50 countries through an international distribution network.
