

PRESS RELEASE

MARZOCCHI POMPE FOREST IS BORN WITH TREEDOM

Bologna, 13 February 2023 – Marzocchi Pompe S.p.A. (EGM:MARP), a leading company in the design, manufacturing and marketing of high-performance gear pumps and motors, announces that it has launched the creation of the Marzocchi Pompe Forest, giving away the first 300 trees to its employees.

It will not only bring a contribution to carbon dioxide reabsorption but, being composed of fruit trees donated to the local community, it will also have a positive impact for the latter in social terms.

The Treedom Forest represents another milestone in Marzocchi Pompe's commitment to protect the environment.

Gabriele Bonfiglioli, CEO of Marzocchi Pompe, commented: *“The first trees in the Marzocchi Pompe Forest donated to our employees during the recent Festive season are another tangible sign of our commitment to ESG issues. We hope to expand the size of our Forest more and more as the years go by. Although physically distant, this Forest and the local community that will benefit from it are closer than ever to our hearts and present in our minds.*

Our commitment to the ever-increasing sustainability of our business, however, does not stop here and we expect to launch concrete new initiatives soon.”
