**MARZOCCHI POMPE: DEVELOPMENT OF ELIKA MODULAR PUMPS COMPLETED**

*Bologna, 29 August 2023 – Marzocchi Pompe S.p.A. (EGM:MARP), a leading company in the design, production and marketing of high-performance gear pumps and motors, informs that the development of the Elika Modular Pumps has been completed, and they can now be supplied in separate elements, so that the customer can independently compose a multiple Elika pump according to his specific needs.*

This release will further increase the level of customisation of the finished product, as is already the case with traditional pumps.

*Gabriele Bonfiglioli, CEO of Marzocchi Pompe, commented: “As always, we have attentively listened to our customers, both distributors and OEMs, and have taken the suggestion to enrich our Elika family with a product that can meet the ever-increasing market needs in terms of versatility. This ‘puzzle’ mode, making us even more flexible in terms of both configuration and delivery times, will allow us to be even more effective in promoting our particularly distinctive product line”.*
