MARZOCCHI POMPE: STRATEGIC PURCHASE OF A SECOND NEW PROPERTY, CONTIGUOUS TO THE ZOLA PREDOSA SITE, WHICH WILL FURTHER INCREASE PRODUCTION CAPACITY AND CREATE A RESEARCH AND DEVELOPMENT HUB

Bologna, 24 July 2023 – **Marzocchi Pompe S.p.A.** (EGM:MARP), a leading company in the design, production and marketing of high-performance gear pumps and motors, **announces that it has finalized the purchase of a second property**, after the one announced last October ([link to the press release](#)), of about 3,100 sqm, of which 600 are covered, **contiguous to the Zola Predosa plant**, for a total amount of € 720,000, which will allow the Group to move some activities currently located in the Casalecchio plant in order to increase production capacity and improve operational efficiency.

The purchase transaction follows the acquisition, last October, of a further property of approximately 4,800 m2, also adjacent to the Zola Predosa site, for an amount of € 1.15 million.

The new facility will also house a state-of-the-art research and development hub, dedicated to further technical and technological enhancement of gear pumps and motors to meet the ever-increasing demands of the market.

Gabriele Bonfiglioli, CEO of Marzocchi Pompe commented: *“The acquisition of this property, which is located in a strategic position for us, is another very important step in our plan to improve operational efficiency, aimed at making us more and more competitive, and thus consolidating our position in the market.*

The aim of this operation is to strengthen and make more functional our design and research & development activities, which are fundamental to the technical and technological level of our product and our service to customers”.
