

**PRESS RELEASE**
**MARZOCCHI POMPE: ROAD SHOW IN PARIS, 11 APRIL 2022**

Zola Predosa (BO), 8 April 2022 – **Marzocchi Pompe S.p.A.** (EGM:MARP), a leading company in the design, production and marketing of high-performance gear pumps and motors, announces its upcoming attendance at a **targeted Road Show in Paris on Monday, April 11, 2022.**

During the event, organized by Integrae SIM S.p.A., Marzocchi Pompe Management will be presenting 2021 results, business model and strategies of the Group to a **selected audience of French and international institutional investors**, in *one-to-one* and *one-to-many* meetings.

This marks the second time over the last six months that Marzocchi Pompe will meet investors in person in Paris: last October, the Management had attended the 21st edition of the "European Mid Cap Event 2021", organized by Euronext in partnership with leading European financial market operators, including Integrae SIM S.p.A.

**Gabriele Bonfiglioli, CEO of Marzocchi Pompe, stated:** *"We are particularly pleased to meet the French Institutional Investors, once again in presence, to illustrate the excellent 2021 annual results, which marked the definitive surpassing of the pre-Covid levels of sales and profitability, testifying once again the reliability of Marzocchi Pompe business model, characterized by high operational flexibility and by product and process innovation capability. Our recognized market leadership, especially thanks to customized and high performing supplies, and the strengthened financial position of the Group, thanks to its excellent capability to generate cash flow, support our confidence in achieving our ambitious growth plans. In this perspective, the continuous dialogue with the financial market operators represents a fundamental pillar of our communication strategy and at the same time it is a key moment from the value creation standpoint for all Stakeholders."*

The Investor Presentation of Marzocchi Pompe will be made public in the event morning on the Company website in the *Investor Relations - Corporate Presentations* section.

Pursuant to art. 17 of the Euronext Growth Milan Issuers' Regulations, the Company has updated the 2022 corporate event calendar by indicating the date on which this event will be held and it is available on the Company website in the Financial Calendar section.

**Marzocchi Pompe S.p.A.**

Marzocchi Pompe is a leading company in the design, production and marketing of high performance gear pumps and motors, which find application in various fields: industrial, mobile and automotive. It closed 2021 with over €40 million in sales revenues. Founded in 1949, it is controlled by the Marzocchi family, which holds the majority of the shares and is present in the company with Paolo Marzocchi, President, and his son Carlo, Vice President. CEO Gabriele Bonfiglioli and four other managers are also part of the shareholding structure. The production is entirely made in Italy in the two sites of Casalecchio di Reno (BO) and Zola Predosa (BO). Marzocchi Pompe is present in over 50 countries through an international distribution network.
